Dear Pat & the Race Around Ireland team & crew,

On behalf of Muscular Dystrophy Ireland (MDI) I would like to take this opportunity to express our sincere thanks and much appreciation for your support, generosity and the tremendous amount of €5,332.00 you raised by taking part in the challenging and gruelling Race Around Ireland in September. Your substantial financial contribution will be used towards funding Muscular Dystrophy Irelands respite support service.

Muscular Dystrophy Ireland is a voluntary organisation and depends solely on donations and state contributions. MDI's prime objective is to provide support for people who have the condition and their families. It does this through the provision of support services such as the "Home from Home" apartment in Dublin, family support service, youth support service, emergency respite, transport, an information service, respite breaks, and youth clubs. The goal of MDI is to continue to make a difference and with the help from supporters such as you we will continue to see improvements.

Once again on behalf of Joe Mooney CEO of MDI and all the members, thank you. If you are ever in the area please free to call in to the new office for a chat or a cup of tea, you would be very welcome. Please do not hesitate to contact me should you have any queries or I can be of any assistance to you regarding fundraising.

Kind regards

Amy Brawley
